G. C. MEMORIALS.

Your Committee had before it a memorial signed by O. T. Hotchkiss and E. L. Shettles, as follows:

Whereas, Our Book of Discipline requires that ministers coming to us from other churches as traveling deacons or elders shall pass accredited examinations on the prescribed courses of study, and

Whereas, There is some lack in the provisions of the Discipline to the carrying out of these requirements, therefore be it

Resolved, That we memorialize our next General Conference to be held in May, 1914, to amend our book of Discipline, Paragraph 52, under the head of "Proceedings of Annual Conference," by the inserting of a new question, to be properly numbered, and to read as follows: "Have the preachers received from other churches as deacons or elders passed approved examinations on the required course of study, and are they properly classified?"

Resolved further, That our Book of Discipline be amended in Paragraph 72, under the proceedings of the District Conference, by the insertion of a new sub-paragraph to be properly numbered, and to read as follows: "To see that the preachers coming to us from other churches as local deacons or elders shall appear before the proper committees and pass approved examinations on the required course of study."

We recommend concurrence.

Your committee had also before it a memorial signed by Jas. Kilgore, E. W. Solomon, and eight others, as follows:

In view of the fact that the connectional spirit of many of our people is now strained seriously, the Texas Annual Conference memorializes the General Conference to instruct the various boards to make no increase in the assessments for the next quadrennium, that we may have opportunity to educate our people in the grace of liberality.

We recommend concurrence.

Respectfully submitted,

W. J. JOHNSON, Chairman.

GEO. W. DAVIS, Secretary.

The memorials changing the name of the Church to "The Methodist Church," and asking for local preachers to be licensed Q. O. C's. subject to the approval of the ensuing D. C., were not concurred in by the committee.—Editor.

RESOLUTION ON SOCIAL SERVICE.

Resolved, That the Texas Conference unite with the other Texas Conferences in the formation of a social service commission, which shall be provided for as follows:

1. Each of the five Conferences shall elect two members of the Commission, preachers or laymen, to act as a Conference Commission, and to form part of the State Commission. The German Mission Conference, the Mexican Border Conference, and the New Mexico Conference (for that part lying in Texas) shall each be entitled to one member.

2. The members shall be elected on nomination of the presiding elders, and shall serve for two years. During an interim vacancies may be filled by the commission itself.

3. Five shall constitute a quorum of the joint commission. The first one chosen by any one of the Conferences shall have authority to call all together for organization, the form of which shall be determined by the Commission itself. Meetings must be held at least once a year.

4. The failure of any Conference to approve the plan, or to appoint members of the Commission shall not vitiate the plan.

5. The Conference and State Commission shall do everything possible to apply Christian principles to social life, and to keep before the church her social mission. The Commission shall represent the church in social movements, especially in connection with State Conferences of charities and correction, provided, however, that the church shall be held responsible only for the acts of the commission as far as the church has spoken.

RESOLUTIONS BY TEXAS CONFERENCE.

Whereas, the action of the College of Bishops, acting as a board of visitors, vetoing the acceptance of the so-called million dollar gift to the Medical Department of Vanderbilt University by Mr. Andrew Carnegie, has been criticized in certain quarters; and

Whereas, four members (being a minority) of the Board of Trust, at the annual meeting held in June, 1913, entered their protest against the acceptance of said proposed gift; and

Whereas, it has been claimed by certain parties that neither the veto of the Bishops nor the protest by the minority members of the Board of Trust represents the sentiments and judgment of the Church generally; therefore be it

Resolved: 1. That while we regret that the terms of said gift as set forth in Mr. Carnegie's letter were such that it could not be accepted with honor, we do hereby heartily indorse both the Bishops veto and the protest of the minority of the Board of Trust.

2. That we hereby express hearty agreement with the sentiments and positions of the Bishops, as expressed in their "veto" and message to the Church at large, and to the minority of the Board of Trust as expressed in their protest.

3. That we hereby pledge our hearty sympathy and support to the Bishops and to the minority of the Board of Trust as faithful servants of the Church in the discharge of their important, though unpleasant duties in this and the whole Vanderbilt matter.

Resolved further, That each voter shall write the full number of names to be voted for on his ballot, and no ballot shall be counted that does not contain the full number of names.
Resolved further, That we elect three lay and three clerical alternates, and that a majority of the votes cast shall be necessary to elect the alternates as well as the principals.

APPEAL FROM THE QUARTERLY CONFERENCE SAN AUGUSTINE STATION.

At the fourth Quarterly Conference of San Augustine Station the pastor nominated a man for the office of steward, who answered the requirements of the discipline as expressed in Par. 94, but who was not a member of the church. The Presiding Elder ruled that you can not elect a man a steward in the Methodist Episcopal Church, South, who is not a member of the church. The Quarterly Conference gave notice of appeal, and hereby presents said appeal to the presiding Bishop of the Texas Conference for a ruling.
Signed on behalf of said Quarterly Conference:
H. B. SMITH.
T. B. SAUNDERS, Sec.
The ruling of the P. E. is sustained.

REPORT OF THE BOARD OF CHURCH EXTENSION.

Dear Brethren: Your Board has given careful consideration to all the business coming before them and with the available funds in our hands have done the very best to meet the requests of each applicant. It is with deep regret that we find ourselves unable to grant each application in full. We have had the report of the General Secretary, Dr. W. F. McMurry, before us and it is gratifying to note a general advance from all viewpoints.
Our general loan fund exceeds the half million dollar mark and we join heartily with the General Board in pressing forward in a vigorous campaign to reach the million dollar goal.
We note with pleasure the increase in the amount collected on assessments over last year and would earnestly request that every energy be used to bring the collections up to the full amount assessed against each charge for this worthy cause.
We would call the attention of the brethren to the large fund of available information that the General Secretary has prepared with great care and can be had for the asking. Every pastoral charge ought to be well supplied with this free literature.
The Smith-Garrison Loan Fund of our Conference has increased from four hundred dollars last year to the sum of eighteen hundred and thirty-nine and 65-100 dollars this year. This is a gratifying increase and has enabled the Board to relieve many embarrassing situations.
We have made some effort during the year to organize City and District Extension Boards with the

following results: The City of Houston has organized a City Board and has done commendable work in the building of one splendid church and otherwise extending the work of the kingdom. The Brenham, Houston, Marlin and Pittsburg Districts have been organized and give promise of good results.

Your Board has set apart the first Sunday in April as Church Extension Loan Fund Day and urge its observance.

We respectfully ask that the Presiding Elders give due prominence to the interest of Church Extension at their District Conferences and to give to the representatives of our Board at least thirty minutes in which to present the same.

The General Board has assessed this Conference nine thousand nine hundred and twenty-eight dollars for the ensuing year, which has been distributed to the Districts. (See assessments).

Your Board has received an assessments eight thousand two hundred and twenty and 2-100 dollars and have remitted the the General Board four thousand and one hundred and ten and 1-100 dollars, leaving in the hands of the Conference Board four thousand and one hundred ten and 1-100 dollars.

REPORT NO. 1 CHURCH EXTENSION.

The West Texas Conference having assumed \$2,500 of the indebtedness of the University Methodist Church of Austin, Texas; the Central Texas Conference having assumed a like amount, and the Northwest Texas Conference having assumed \$1,000, therefore be it

Resolved, That it is the sense of the Board of Church Extension of the Texas Conference that we assume \$2,500 of the \$17,000 indebtedness of the University Methodist Church and that this amount be distributed to the various districts on a basis that shall be agreed upon by the presiding elders.

Resolved further, That the collection of said amount be left to the presiding elders, providing first that no assessment be levied upon any individual charge, providing second that it be understood that the pastor of the University Church shall come at the call of the presiding elders and raise the amounts distributed to the various districts, and providing third, that the campaign for the collection of said amount close with the last Sunday in March, which shall be observed as University Church day by our pastors and people.

This resolution becomes effective when enough of the other Conferences of the state shall have taken similar action so that the total amount thus secured, together with amounts otherwise available shall cover the entire indebtedness on said church.

We deplore the fact that again neither the Foreign nor Home and Conference assessment is paid in full. Never was the need of the Church so great. Our Foreign and Home fields need men and money, our prayers and sympathy, and the need is now. Thousands of immigrants are pouring into our country. Within our own Conference the government Immigrant Station is built, and as an immigrant station it is second only to Ellis Island. Before our next Conference session the Panama Canal will be opened, and the foreign peoples will crowd our territory as never before. To save Texas our Conference must be saved, and we earnestly entreat our pastors and people to secure their assessments for missions in full by March 1st of the present year.

We call attention to the Disciplinary requirement of the Missionary Committee and the Every-Member campaign.

We appoint J. W. Bergin, W. J. Johnson, S. R. Hay, H. L. Griffin and C. W. Boone a Missionary Campaign Committee.

We appoint Glenn Flynn, W. F. Packard, C. T. Tally and W. L. Dean a Committee on Evangelism.

The Board requests the Bishop to appoint J. W. Bergin Conference Missionary Secretary.

The Board requests the Bishop to appoint C. E. Mock Missionary Evangelist for the Jacksonville District, without salary.

We commend the work of our lay leaders and the Laymen's Forward Missionary Movement.

Respectfully submitted,

C. W. BOONE,
Secretary of the Board of Missions.

BOARD OF EDUCATION.

We report as follows: We have had before us reports from the Theological Department of Vanderbilt University, from the correspondence school, and from the Corresponding Secretary of the General Board of Education, all of which have had consideration.

A. C. I.

Our conference school at Jacksonville is prosperous and growing rapidly, both in student body and thoroughness of work. The institution is now in position to do full Junior College work.

We recommend that B. D. Dashiell be elected trustee to the vacancy caused by the death of W. A. Abney, and that I. Alexander and J. H. Bolton, whose terms have expired, succeed themselves.

The growth of the school within the past two years has been such as to require the erection of a new girl's dormitory, the completion of the main building, and the providing of funds to meet other needs of the institution, all of which calls for the expenditure of something like \$60,000, and we recommend that A. A. Kidd be appointed Commissioner of Education for this school, and be assigned the task of raising adequate funds. We bespeak for the commissioner the right of way in our charges and pulpits in order that this campaign may be crowned with success.

Southwestern University.

The S. W. U. is enjoying a year of marked prosperity, having the largest enrollment of any college in the connection. We ask the Conference for its approval for the campaign to raise \$300,000 for endowment and better equipment, and in view of the urgent necessity of the case we urge the Conference to place special emphasis on the campaign to be inaugurated.

We recommend the appointment of C. T. Tally as Commissioner of Education for Southwestern University, and Frank Seay as Professor. The Board asks that Walton Day be appointed as student to the same.

The trusteeship of R. M. Kelley having expired, we ask the Conference to appoint W. L. Dean to the vacancy. The Conference is also asked to elect J. H. Foster as alumni trustee.

The report of the affairs of S. M. U. was given in detail, and is worthy of careful consideration. We are reminded that there is a great awakening in Texas on the subject of education. The report well states that this comes none too soon, and the good beginning encourages us to larger things.

The Bishop is asked to appoint W. W. Watts as Commissioner of Education, and recommend that Bishop Mouzon be elected a trustee at large.

The Bishop is requested to appoint L. F. Jewell as student to Vanderbilt University.

The Board asks the following appointments: Nathan Powell, student University of Chicago, and L. A. Graham to the American University.

REPORT OF SUNDAY SCHOOL BOARD.

We submit the following report: Your Board notes with pleasure that the Sunday School work is making substantial progress. Reports from the General Office show that the increase in the circulation of Sunday School Periodicals for the past year was greater than for any other single year in the history of our Church. The gains have been about the same, both in the graded courses and uniform lessons.

Dr. Chas. D. Bulla, who is President of the Wesley Bible Class Department, reports that the movement has been taken up with great interest—three thousand classes with a membership of more than eight thousand men and woman have enrolled in this department, and states that in no time in the history of the Church have men and women been brought into the Sunday School in such numbers as in this day.

We, therefore, earnestly insist that our pastors see to it that as far as possible all of the Intermediate, Senior and Adult classes be organized and enrolled according to the plan of our Church.

We note with approval that the General Sunday School Board is going to retain the money which has been contributed by the Sunday School for the purpose of establishing a Chair of Religious Pedagogy in Vanderbilt University, until the pending law suit between the Church and the Board of Trust has been finally decided.

The needs in New Mexico and Southern Arizona are so pressing that your Board decided to make an appropriation of fifty (\$50.00) dollars to the General Board to be used in that territory.

The proposition of the State Educational Commission to establish a department of Sunday Schools in Southern Methodist University was presented to the Board. The proposition is that the Sunday Schools of Texas, New Mexico and Oklahoma be asked to raise, as soon as possible, fifty thousand (\$50,000.00) dollars for a Chair of Religious Pedagogy in Southern Methodist University. The Board was heartily in favor of this proposition, and recommends that the Conference give Bro. Frank Reedy, who has charge of this work, right of way in the Conference.

Your Board had a proposition presented to it by Bro. W. E. Hawkins, an expert Sunday School man, which the Board unanimously accepted and we here-in submit the proposition to the Conference.

Resolved, That we request the editor of our Sunday School Literature to print the lesson text in all our graded literature above the primary department.

W. F. DAVIS, Chairman.

M. L. LINDSEY, Secretary.

The proposition in reference to W. E. Hawkins did not pass the Conference, neither did the request for a \$300.00 assessment.—Editor.

EPWORTH LEAGUE.

We, your committee, submit the following report: We deeply regret the lack of interest shown by the pastors in the Epworth League work. We therefore request that the pastors see to it that this work be not longer overlooked.

We desire to emphasize the importance of the Epworth League as a factor in the Church. The League affords to our young people an opportunity for service not to be found elsewhere.

We urge every League member to take the Epworth Era, now in the form of a magazine so helpful and inspiring.

The International Epworth League Conference meets July 14, 1914, in Buffalo, New York. We recommend that each Chapter send at least one delegate to said Conference, and pay the expenses of same.

Whereas the Epworth Board of Trustees has unanimously decided to sell the Epworth League Ground near Corpus Christi, and the State League Conference has ratified said decision; and whereas, said Board of Trustees has contracted the sale of the said grounds for forty-five thousand (\$45,000.00) dollars, and with the proceeds desire to pay off all indebtedness against same and with the remainder erect encampment buildings at some other place on the coast, therefore be it

Resolved, That this Conference in open session here endorse and confirm the sale of said grounds, and that the Secretary of this Conference forward a copy of this resolution to the chairman of said Board.

E. L. INGRUM, Chairman.

JAS. F. CARTER, Secretary.

REPORT OF ORPHANAGE BOARD.

We, your Conference Board, would respectfully submit the following report on the Orphanage: We have had before us the manager of the home, also the report which has been submitted to all the annual Conferences. We note with pleasure the prosperity of the home under the present management. The financial condition is the best in its history. During the past year \$11,000 has been spent on improvements. The property is now in first class condition. A new heating plant is now being installed. Rev. A. D. Porter has made this possible. There are 147 children in the home. During the past year 69 children have been received, while 61 were placed elsewhere. The management has placed the home upon a safe financial basis, and made the home more home-like. Many different societies are now caring for children of the home. There is being conducted a school for the training of the children, in which six teachers are employed. A modern \$20,000 school building is greatly needed, and it is the purpose of the management to erect this in the immediate future. We commend the management for progress made in Christian education, as the children receive intellectual and also moral training. We are pleased to hear of the children's conversion. We commend the board of directors for a forward movement in the management of the home, and ask that our pulpits be opened to them, that funds may be provided for the home. We ask for the same assessment of \$3000.00. We recommend that J. W. Torbett of Marlin, be elected director, in place of J. W. Hoke. We urge that the assessment be raised as early as possible.

COMMITTEE.

REPORT OF THE AMERICAN BIBLE SOCIETY.

Nacogdoches, Texas, Nov. 29, 1913.

Dear Brethren: The report of the American Bible Society which has come to your Bible cause board is the best in the history of the great organization. Unprecedented results have been achieved. More than four million copies of God's word were distributed by this agency during the past year. One million copies went into China alone and the distribution during the past six months indicates that China will require at least two million copies from the American Bible Society in the year to come. Grati-fying progress has been made in the home land as well as abroad. This is especially true of our agency in the Southwest. Fifty-six persons were employed in this agency, sixteen of these being salaried col-porters working among our foreign population and in our destitute rural section. The distribution for this agency during the year ran to fifty-six thousand five hundred eighty volumes in 32 languages, while of these nine thousand six hundred sixty-one were outright donations.

Great advances have been made but the call is still to go forward. Overwhelming needs still appear on every hand. This being true we can certainly do nothing less than thank God for what this great instrument of the Kingdom has done and pledge to it our continued support.

We recommend that our assessment for this cause be for the coming year the sum of one thousand dollars, the same as last year, and that it be distributed as it was last year. Respectfully submitted,

L. H. McGEE, Chairman.

GLENN FLINN, Secretary.

REPORT OF COMMITTEE ON EVANGELISM.

The chief business of the minister, Hugh Price Hughes used to say, is "to collar sinners, and not to coddle saints." The great English preacher was not far from being right. The saints, it is true, must be edified, but first of all they must be saved. The Gospel is a net, not an ambulance. And the true preacher can not be content with feeding the ninety and nine within the fold while one still strays afar.

This being true, it is not only wise, but necessary, that the work of Evangelism be magnified among us. There is much in the multiplying duties of the modern ministry to lead us away from this center.

Your committee on Evangelism is gratified to note that the revival tide is rising in our Conference. The number of accessions on profession of faith during the past year seems larger than for a number of years. But we believe that the Lord of the Harvest has still greater things in store for us, and these we must go on to possess. Our organization must be continued, our desires quickened, and our prayer life deepened. To this end, we would recommend, as a part of our Conference plans for the incoming year, the following:

First. That the second Sunday in January be set apart in all our charges as a day of special prayer for a great revival throughout our Conference, and that our pastors on that day preach on Evangelism.

Second. That as far as practicable, the Texas Conference Prayer League be continued and enlarged.

Third. That in each Presiding Elder's District, a committee of three including the presiding elder, be appointed to co-operate with your central committee in carrying forward the work of a revival campaign in every Church in every charge in our Conference.

Fourth. That our pastors co-operate with the Secretary of your Committee on Evangelism in keeping before our Conference the results of our campaign as the year progresses.

Respectfully submitted,

GLENN FLYNN,

Secretary of the Committee.

BOOKS AND PERIODICALS.

We, your committee, beg leave to submit the following report: We have had before us reports from Smith & Lamar, agents of the Publishing House of the M. E. Church, South, together with reports from the Texas Christian Advocate and the Joint Board of Publication.

The agents of the Publishing House make report concerning the general state of the business, the Christian Advocate, the Epworth Era and the Methodist Quarterly Review.

The house has had a net increase of profits of \$15,-049.52. The Dallas branch has had a net increase of \$8,053.63. As every Methodist knows the profits of the house are used exclusively for the support of the wornout preachers, and the widows and orphans of deceased Methodist preachers; therefore, we urge all our pastors, superintendents and other members to purchase all their Sunday school literature from our own publishing House, and books and such other supplies as are handled by the house, in order that such profits as are derived from the business may inure to the benefit of the church.

Our agents state, that while the business the past year amounted to nearly \$1,000,000, if all Methodists had given their business to their own Publishing House it would probably have amounted to \$3,000,-000.

Our Sunday School literature has maintained its previous high standard, and is second to none in the world. No Sunday School should be without our own literature and especially the Sunday school Magazine, which has made itself indispensable to our teaching force. Some complaint has been made as to the lack of dispatch with which the Dallas house handles its orders for Sunday School supplies and we would urge them to use the utmost diligence to correct any real ground of complaint in this regard.

TEXAS ADVOCATE.

The Christian Advocate was never more ably edited and no pastor or leader in the church can consider himself fully equipped without it.

This has been the most successful year in the history of the subscription department of the Texas Christian Advocate. We have had a net increase of 2500 subscribers. There are 267 charges in which all the stewards take the Advocate, and the paper continues to be held in high favor by preachers and

people. Dr. Geo. C. Rankin was re-elected editor for the year by unanimous vote. We heartily commend him for his fearless and uncompromising stand on all matters moral, religious and civil. All our preachers are urged to continue their campaign for new subscribers until every Methodist family is brought within the circle of its influence. We hope that all our presiding elders will be diligent in the quarterly conferences in their inquiries as to whether all the official members of the church take the Advocate. We recommend the appointment of John E. Green as field editor Texas Christian Advocate.

METHODIST REVIEW.

The Methodist Review has met the cost of publication and shows a small profit for the year. It is well edited by Dr. Gross Alexander. He has searched the world of scholarship and letters for contributions and no preacher's library is complete without the quarterly visits of this great Review.

Respectfully submitted,
H. C. WILLIS, Chairman.
S. W. DEAN, Secretary.

TEMPERANCE REPORT.

We, your committee, beg leave to submit the following report: We rejoice at the advancement the cause of Temperance has made since our last Conference. We realize that the open saloon is the most destructive evil to the human race. From time immemorial, liquor has proven one of the greatest foes encountered by the human race. It destroys the home, impairs the State and brings utter ruin to those who use it. The medical and scientific world condemn alcohol as poisonous to the system, leaving wreck and ruin all along its path incapacitating man for the duties of any vocation, demoralizing the brain and undermining the health.

We rejoice at the recent legislation enacted in this State with reference to circumscribing the dominion of the saloon. We believe that every man who votes or favors legislation or permits his property to be used for the sale of intoxicating liquor, becomes a partner to the business, and is to that extent responsible for the consequences. It has been the cry of the saloon forces that prohibition did not prohibit, but under the recent legislation, they are now using every argument and subterfuge to evade the enforcement of this legislation.

We view with pride the position of the Texas Christian Advocate, through its editor, Dr. George C. Rankin, in promoting Temperance, and we heartily endorse this effective work by its beloved editor. We also endorse the work of the Anti-Saloon League of Texas. With untiring energy and unceasing zeal, it never ceases to battle, regardless of criticism and the antagonism of the whiskey forces. It belongs to all our churches and we suggest that our pastors and laymen give it their unqualified support.

The cause of Temperance is a great moral question. The greatest question before the people of this State. The obligations to God is that we assume these duties, and help to solve the problem of a Christian Nation. The cry that the minister should refrain from advocating the cause of Temperance on the ground that it is a political question is wrong

in theory, unfair in principle and without precedent in practice.

We advise our forces to be on the alert, ready at all times to do battle, looking for aid and assistance "To Him who doeth all things well," knowing with such a leader we can not fail, but at last will rejoice in victory, for the victory will be ours.

Respectfully submitted,
JNO. W. GOODWIN, Chairman.
L. L. LLOYD, Secretary.

SPIRITUAL STATE OF CHURCH.

We, your committee on "The Spiritual State of the Church," beg leave to submit the following report: Your committee is not willing to join any cry that seems to discount the church. Christianity has moved forward until in our day it outnumbers any other form of religion on the earth. It is also worthy of note that of the 477,000,000 Christians on the globe, approximately 470,000,000 of these baptize their children at the altars of the church. When we face this array of facts, we refuse to believe that either the general church, or Methodism, is failing in its mission to the world.

Yet there are depths of grace and heights of experience to which the church at large is a stranger. The "Ideal" church has not yet come, and the average church as compared with the "Ideal" is far short of the perfect standard. We shall therefore be pardoned if we make some practical suggestions:

First. We suggest that each church set itself to the work of keeping in vital touch with each member in the church. This day of multiplied pastoral cares and of intensified demands on the pulpit, has given us a growing list of UNNURTURED church members. In two ways these unarticulated might be reached and brought into vital relation. First, Deaconesses and social helpers can be wisely used; second, and better, with or without these trained assistants, the church (possibly most easily through the Sunday school) could organize for the work of oversight. The class meeting with its watch-care is gone. Cannot the local church work out a system by which every Methodist in every home in every church in Texas can be kept in vital touch with the church?

Second. We would urge ministerial caution at two points. First, let the minister see that zeal for numbers, does not rush into church membership those who are really unprepared for the great step. Second, let the minister see to it that the act of receiving members into the church, be attended with much solemnity. Sometimes haste and a lack of solemnity at this point, cheapens church membership.

As a church we boast not without reason, yet too much of our church life is running to the world, leaving the church shorn of much of her power.

Our appeal is that each church will co-operate with the pastor to reach the end sought in this report. To this end, we respectfully suggest (where it is thought wise) that this report be read to our churches,

W. F. ANDREWS, Chairman.
A. L. HOUSTON, Secretary.

SABBATH OBSERVANCE.

We submit the following report: A Christian and well taught community, church and nation are indispensable to the observance of a true Sabbath. It has been said: Remember the week day to keep it holy. This we should do, and not leave the other undone. Methodism stands squarely against the continental Sabbath, and for a religious Sabbath to minister to the moral uplifting of men, and the saving of souls. We are therefore against all things which violate the Sabbath, or which leads to its destruction. We oppose these things whether they originate with the individual or the government. We must not only watch the actual violation of the day, but also the tendency. Let every Christian man beware of all things which might shatter the Sabbath as a divine institution, or bring it into disrepute. We stand squarely against all Sunday excursions, all time saving-travel, against buying and selling, all games and sports which are violative of the day. We protest against all pleasures and recreations which vacate the churches at the time of service. Whereas our General Conference has repeatedly indorsed the work of the Sunday League of America, as an interdenominational society, worthy of special notice; and whereas, the Rev. R. C. Armstrong has made a special study of the Sunday question, and has been officially appointed the representative of this League, we therefore agree to invite him into our charges, so that we may receive the benefit of his wisdom. We condemn in no unmeasured terms the opening of the Dallas Fair and other Fairs upon the Sabbath, and we ask our preachers and people to stand solidly against this practice.

C. B. GARRETT, Chairman.

LAYMEN'S MISSIONARY MOVEMENT.

Your committee submit the following report:

First. We regret that we are compelled to admit that our movement has made but little progress this year.

We again say to the Presiding Elders and Pastors, that we are willing to assist you.

Third. We call attention that in a number of charges much assistance has been rendered by Lay committees, and we pledge more and better service the coming year.

Fourth. We urge our Pastors to nominate only such Lay delegates to District Conference as will attend.

Fifth. It is our request that we be given a place on the program at each of our District Conferences.

Sixth. We recommend for re-election T. N. Graham of Texarkana, Texas, as our Lay leader for the ensuing year. Respectfully submitted,

H. L. GRIFFIN, Chairman.

W. C. WINDHAM, Secretary.

REPORT ON THE SAN ANTONIO RESCUE HOME AND WORK.

We have investigated this matter, as presented to

us by Rev. J. D. Scott and beg to submit the following:

First. The Home is doing a great and indispensable work and deserves the sympathy and support of all Texas Methodism.

Second. It is not in conflict with the Virginia K. Johnson Home of Dallas, as it deals with a different class of the same unfortunates.

Third. We ask all our Pastors to facilitate the work of Brother Scott when he may be in the bounds of our conferences.

Fourth. We respectfully ask that the Woman's Council take this work under its patronage at the earliest time possible.

Fifth. That the future relation of this Conference to this Home be considered by our social service commission, and report made to our next annual Conference.

W. F. PACKARD, Chairman.

H. C. WILLIS, Secretary.

DISTRICT CONFERENCE RECORDS.

We your committee beg to make the following report: We had the records of five districts before us. Tyler District—This record is neatly and correctly kept. San Augustine District—This record is neatly kept but neither the president nor secretary signed the minutes. Houston District—In referring to the Houston District Conference the secretary fails to state that it is of the Methodist Episcopal Church, South. The minutes lack the signature of the president. Marshall District—The record is neatly kept but we notice some errors in spelling. In noting the presence of one brother the word is spelled p-r-e-s-e-n-t-s. Doxology is spelled d-o-c-s-o-l-o-g-y. The minutes lack the signature of both the president and secretary. Brenham District—This record is neatly kept. The minutes lack the official signature.

H. M. TIMMONS, Chairman.

GRANBERRY S. SANDEL.

Granberry S. Sandel "fell on sleep" a few days after our annual gathering last year, and went up to receive his crown. He was born in Pike County, Mississippi, December 23, 1838, and died in the city of Dallas, December 12, 1912. His parents, Henry and Emily Sandel, were devout, Christian people, and their good example made a lasting impression on him, and had much to do with his early conversion. He professed conversion in Walker county, Texas, at the age of seventeen years, and at the same time felt his call to preach "the gospel." His call to preach meant to him, to get ready to preach, so he entered Soule University at Chappell Hill, and studied and applied himself that he might be fitted for his high calling. He was admitted on trial into the Texas Conference at its session at San Marcos in 1862, was ordained deacon by Bishop Andrew at the Conference at Chappell Hill, 1865, and elder, by Bishop Marvin at the Conference in Galveston 1866. For fifty years he was a member of the Texas Con-

ference. He served the following charges: 1863, Lockhart and Colored Mission; 1864-5, Victoria Circuit; 1866, Danville Circuit; 1867, Montgomery; 1868-9-70, Anderson; 1871-2 Huntsville Station; 1873-4, Willis Station; 1875, Courtney Circuit; 1876-7, Willis Station; 1878, Independence Circuit; 1881, Giddings Circuit; 1882, Travis Circuit; 1883, Caldwell Circuit; 1884-5, Centerville Circuit; 1886-7, Ad-Hall; 1888, Manchaca Circuit; 1889-90, Huntsville Circuit; 1891-2, Pattison Circuit; 1893-4, Cedar Bayou; 1895, Angleton Circuit; 1896-7, Millican Circuit, 1889-1900, Anderson Circuit. After this session of the Conference of 1900, he asked for a supernuate relation, and soon after moved to Dallas where he resided until his translation. He was married to Miss Virginia Naylor, Nov. 20, 1864, in Gonzales county, and she and six children born to them, are left to mourn his going away, viz.: M. Sandel, G. E. Sandel, Misses Eva, Ada, Hattie Lou of Dallas and Frank A. Sandel of Walla Walla, Wash. In his home, he was devotion itself, and his love for the wife who shared the privations and labors of the itinerant life for nearly fifty years, was beautiful and impressive. His preaching was clear, forcible and earnest. He gave forth no uncertain sound. His pulpit was his throne. Others may have been more eloquent and scholarly, but no one excelled him in earnestness and devotion to his loved employ. He was persuasive and convincing, and through his efforts many were turned to righteousness. In nearly all of his annual reports to his conference, there were wide-spread revivals. His call to preach, and entrance upon the work of the itinerancy was in the days that tried men's souls, and for that reason his equipment was not as good as it otherwise would have been, but his studious habits in the study of good books added much to his efficiency. He was a revivalist of no mean attainments. In the camp meetings, under the brush arbors, wherever the people met for special efforts in revival meetings, he was at home, and took his place in the forefront of the engagement, and led the hosts to victory. The last twelve years of his life he was forced on account of impaired health, to retire from the active work, and while it was a great trial to him not to be able to go out to the harvest field as had been his custom so long, yet he was uncomplaining and sweet-spirited, and he nearly always attended our Conferences. His love for the Church, and interest in her work, never flagged, and no one rejoiced more in her victories and success than he. His end was peace. Not dead, but living, reigning, rejoicing forever.

O. T. HOTCHKISS.

MEMORIAL.

Mrs. Ida Earlie Adams was born at Millican, Texas, January 15, 1873, and died at Calvert, Texas, August 2, 1913. She indeed was a Christian from the very beginning of her life. She professed faith in Christ and joined the Church under the ministry of J. F. Dimmitt and became a devoted worker in the church, that she loved better than her own life. She was always deeply concerned about the success of the church and more especially the charge to which they were sent and gave of her love and loyalty un-

stintingly to make the work a success. She was a great sufferer during the most of her life and yet she endured it all as seeing Him that is invisible. She continued to place in the Mansion on the other side Stones that were tried. She and her husband, Rev. J. M. Adams, lived a perfectly devoted life. Never separated long during their married life, and he did not have to wait long her coming to be reunited on the shores of sweet deliverance. Some day, we shall go over and join that happy band. And I believe among the first to greet us will be our dear Sister and friend, Sister Adams. Some sweet day we shall outride the storms of life and enter into the Heaven of Eternal Rest.

C. H. ADAMS.

MRS. FANNIE SWARTZ (Nee Emmons).

Wife of Bro. H. T. Swartz, was born October 3, 1891. Was married to H. T. Swartz November 26, 1909. Died October 7, 1913.

It was our privilege to know her from childhood; having been her parents' pastor for four years, and think I received her in the church, when she was a little girl. She was a faithful Christian, and would try to perform any Christian duty, even when a child, having been brought up in an old fashioned Christian home of a Methodist steward, with a good Christian mother to train her. Of course she was an ideal wife for an itinerant preacher and she worthily won that good name, that is to be chosen rather than great riches. In her childhood she always met her pastor with a smile of welcome, for her father's home, was the pastor's home. She was a helpmeet indeed, never complained of her burdens. Not only did she make the Methodist parsonage bright with her smiles, but she was always ready to do her part in church work. Dear Sister Swartz has gone from our vision, but is not dead; absent, but not lost. We will meet her again some sweet day. May the Lord comfort her bereaved husband, and bring her precious babe safely home to the banks of Sweet Deliverance.

MEMOIRS OF MRS. THOMAS WHITWORTH.

Nancy R. Elliott was born November 26, 1833. At fourteen years of age she was converted and joined the Methodist Church. She was married to Rev. Thomas Whitworth in the state of Missouri, May 3, 1853, and with him was transferred to Texas in the fall of the same year.

She lived a noble Christian life, maintaining her zeal for the church unto the end. She was loved and respected for her good works. She died at her home in Georgetown, Texas, July 29, 1913. Truly a saintly woman has gone to her reward in heaven.

G. W. RILEY.

MRS. MARTHA ELVIRA MILLS.

Mrs. Martha Elvira Mills, (nee Ferguson) was born in Albany, Georgia, November 21, 1828. She was married to Rev. John William Mills in 1847, and for twenty-seven years, till his death in 1874, shared all the various vicissitudes of the pioneer Methodist preacher's life. She lived for awhile in Florida. In 1870 they came to Texas. He served Carthage, Shelby Circuit, and as presiding elder of San Augustine District. She was left a widow July 6, 1874, with the care of a large family. But with the real bravery of a true mother she took up her burden and fulfilled it well. She was a school teacher and her scholars yet recall her teaching and her character. Also she had a class in Sunday school and when occasion demanded superintended the school, rather than see it die. God gave her ten children, all but

one of whom lived to be grown; two of these, however, have since died. And into her care and her heart she took her stepson, J. M. Mills, now of the Texas Conference. There are 44 grandchildren living besides the 13 which have died, and 40 great grandchildren. Very intimately was she connected with our Conference. J. M. and J. W. Mills, J. M. Smith, A. J. McCary and L. B. Elrod are in the family connection. Her living children are Mrs. Ramey of Chillicothe, Mrs. J. M. Smith of Marshall, Mrs. W. M. McCary, Mrs. W. G. Carnahan, Mrs. W. E. Wilson, John W. and Robert W. Mills, all of Shelby county. All these she saw and talked to in her last illness and her words were fraught with the benison of heaven. After some weeks of sickness, following several years of ill health, she left us for her "mansion in the sky," on January 13, 1913, at 3:15 p. m., dying at the home of her daughter, Mrs. Wilson. She had reached the age of 84 years, two months and 22 days. For two weeks the end had been imminent but it gave her no anxiety, except she was convinced the time had come and was anxious to have the struggle over that she might be at rest. She talked so sibilimely of the future and of her trust. Some things were remarkable about her. First and foremost her radiant and beautiful Christian character. No one doubts or in any way wishes to question her standing with men or with God. All acclaim her a saint. Then, too, the unusual clearness of her mind and her judgment was remarkable. She had full control of the powers of reason and was a constant and capable adviser of loved ones. For this reason they miss her more. The life habit of usefulness and of strong desire to be no trouble to any one was with her to the end. She had reared a family of good children and they with all the care possible lavished their service upon her to the end. These long years she has been left with us to bless and to comfort us and in her presence we have rejoiced. Her voice, her smile, her faith, her unselfish love have been ours and we are so much the richer. God help us to emulate her example, to follow her footsteps, to meet her in glory. "Precious in the sight of the Lord is the death of his saints."

Southwestern University

GEORGETOWN, TEXAS

Charles McTyeire Bishop, A. M., D. D., President

For nearly half a Century Southwestern University has been the leading institution of learning in Texas Methodism. It is owned and completely controlled by the several Conferences.

Southwestern is noted for its strong faculty, its vigorous courses of study, its wholesome government and the helpful traditions by which it is characterized.

Southwestern is located in a beautiful old college town through which flows the picturesque San Gabriel River. Georgetown is noted for its healthful climate, cultured citizenship and clean moral atmosphere. There is not a saloon, pool hall or other place leading to temptation within the town or within miles of it. The environment and associates of the student during the college age are important factors in the formation of character. Prospective patrons are cordially invited to visit Georgetown and Southwestern before placing sons and daughters in school.

The second term of the session of 1913-1914 begins January 2, 1914. Courses are so arranged as to make it possible to enter at the opening of any term without losing time. For catalog, illustrated booklet or any other information address
